To whom it may concern,

I am delighted to provide a resoundingly enthusiastic letter of recommendation on behalf of Jayanthi Bunyan.

Jayanthi has worked with our daughter, Maria, this past year at Kohl Elementary School. As the director of the choir Ms. Bunyan has given appropriately challenging music to the singers and created presentations that highlight the talents of the ensemble. Her ability to choose a variety of repertoire and to introduce good singing habits, posture and ensemble skills, ensures the experience to be gratifying for the students as well as audiences. Jayanthi makes the best of her situation – in Kohl's case, by inviting other musicians to be involved in the rehearsals (pianists, other instrumentalists, rehearsal assistants), thus freeing her to focus on the children at all times.

Ms. Bunyan possesses much creative thought and generosity of spirit. In addition she is a fine musician. She is responsible, organized and carries with her a desire to collaborate with those around her.

It is with all confidence that I recommend her to you!

Sincerely,

Ann Marie Morgan
